About the beneficiaries

Flemington Moose - Hunterdon Central Regional High School Scholarship Fund

Each year, the Flemington Moose Lodge donates several \$1,000 scholarships to deserving seniors at Hunterdon Central Regional High School.

These awards are determined by academic achievement, extra-curricular activity, and also need-based criteria.

In the past, the only other requirement was that the student have a family member who belongs to The Moose.

This fund will be used towards expanding this program and increasing those scholarships.

Flemington Moose Lodge

The Flemington Moose Lodge #1829 is part of The Moose fraternity, an international organization of men and women dedicated to caring for the young and old, bringing communities closer together, and celebrating life. With a combined membership of nearly one million members, The Moose presence is felt in over 1,400 communities across nearly 50 states and four Canadian provinces, plus Great Britain.

Along with Moose Charities, our Lodge supports a facility for children and teens in need at our Mooseheart Child City & School, a 1,000-acre campus, located 40 miles west of Chicago. We also contribute to the care for our senior members at Moosehaven, a 5-star rated retirement community near Jacksonville, Florida.

In addition, we support many deserving local charities including emergency responders, cancer centers, food pantries and individuals in need.

Proceeds from this event will aid the Flemington Moose Lodge in continuing its mission.
